

WHERE'S THE FIRE?

LIVING IN THE POWER OF THE HOLY SPIRIT

Wednesday Nights

Something for the Entire Family

Beginning February 20th at 6:30 PM

Adventure Kids

Nursery to 5th Grade

This will be a great break in the middle of the week for our children to study the Bible, use their creative talents in craft time, and make some new friends. We have some special nights planned that will help your child grow in their knowledge and understanding of God and His Holy Word. This is a wonderful investment in the life of your child. *"Train up a child in the way he should go, And when he is old he will not depart from it."* Proverbs 22:6

Student Ministry

6th to 12th Grade

Your child will be asked to think about how they communicate with God and what this says about his or her relationship with Him. They will be challenged in many creative ways to have their lives transformed by the following Biblical truths: God created us to reach out to Him in real and powerful communication; God is worthy of our praising Him simply for who He is; when we communicate with God we can be completely honest, holding nothing back. Parents will be provided an overview of the study as well as follow-up questions they might use to continue this important conversation with their children.

Choir

Practice starts at 6:45 PM

We have an amazing time of worship as we practice our songs to present to our church. We are focused on delivering God's Word through music. Everyone is invited! Even if you can't read music or have never sang in a choir, it doesn't matter! We help each other. Hope to see you there!

You and Me Forever: Marriage in Light of Eternity

by Francis & Lisa Chan

Facilitated by: Dave & Catherine Berube

In this study, Francis Chan and his wife, Lisa, address the question that many couples wonder at the altar: "How do I have a great marriage?" Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls and radically shift the way we see one of our most important earthly relationships: marriage. Wherever you are in your marriage, this study will help you discover the adventure that you were made for and learn how to thrive in it.

Crisis - 101- Making Sense of Life... When Life Doesn't Make Sense

by Dr. Robert Morgan

Facilitated by: Gary & Amy Stewart

All of us are either going into a crisis, coming out of one, or in the midst of it right now. And we know lots of other people in the same boat. So what do we do? How do we handle those "life-changing" times? And, just as important, how do we help others in crisis? Robert Morgan gives us ten strategies from "The Red Sea Rules" to help us navigate stormy times in our lives. Just like Moses and the Israelites at the Red Sea, God will help us see victory in times of crisis and give praise to the One that has delivered us.
