

“We want to bring Church to you!”

Although we are not meeting together in person during these times, I want you to know: **The Church marches on!** We have an incredible opportunity to share hope, care for our neighbors, and pray. *Prayer is the answer because Jesus is the solution.* Pray that this might be the greatest Spiritual awakening of our lifetime.

We are streaming live this Sunday at 10:45 am and I would invite you to tune in and ask your neighbors to tune in as well. Although we cannot touch and hug each other, we can still have Church and community. As we stream live you can communicate with each other online and we will provide a live prayer line if you need prayer. We will have prayer warriors standing by to take calls.

I am preaching this week on prayer and invite you to gather your family, pick up your Bible, and get some note paper. **With the extra time on our hands, what better endeavor can we have than to grow closer to God. Experience a new prayer life with God and your family.** *“God still calms the storms”*

We are here for you and if you need anything, please give us a call. Take time to reach out and check on your loved ones.

Look forward to seeing you online.
