

## **“Stay home this Sunday and watch Beaverdam Baptist Live!”**

It is hardly news that Coronavirus (COVID-19) has brought the world to a standstill. Listening to the radio and television for the last 24 hours, and seeing all the closed businesses, all the activities canceled, and all warnings about the virus, I wanted to share this so you can make the best decision for your family.

The best information coming from the health professionals and “experts” tells us to cease all exposure to large groups (10 or more), practice social distancing, wash your hands, and stay away from sick folks. If we do this they believe the life span of the virus will be shortened. **I have been praying fervently for the right decisions for our Church. Our greatest concern is your health and safety and seeing the spread of this virus cease. With that being said, staying home on Sunday is a wise decision.**

We will broadcast our service live beginning at 10:45 am on Facebook and I invite you to tune in. I will be here Sunday, along with Pastor Scott, our Praise band, sound folks, and several other leaders. You are welcome to come if you like. We completely support and respect whatever you decide to do for your family.

*At this time we have a marvelous opportunity to reach the world with the hope of Jesus Christ!*

If we can serve you in any way or pray for you please contact us.

Yours in Christ,

Pastor Gary
